WORK EXPERIENCE

Social Woshal - WordPress Developer July 2025 - Present

- Built and updated WordPress and Shopify websites for different clients.
- Optimized plugins, themes, and overall site performance.
- Handled daily maintenance, updates, backups, and security checks.

Get Catalyzed - Senior WordPress Developer Jan 2023 - July 2025

- Lead developer for multiple client websites using WordPress and Shopify.
- Handled website redesigns, plugin optimization, and integrations.
- Managed regular maintenance, updates, and performance audits.

Digital Bouquet Services - WordPress Developer Aug 2023 - Dec 2023

- Developed visually appealing and fully responsive websites using Elementor and custom CSS.
- Assisted in client discussions, UI/UX feedback cycles, and deployed SEO-friendly structures.

BFIT Group of Institutions - WordPress Developer intern May 2023 - Jul 2023

- Fully revamped the official college website to improve UI/UX, structure, and responsiveness.
- Streamlined content hierarchy for better student navigation and admissions info access.

Career Buddy Club - Webs Developer Intern Aug 2022 - Nov 2022

- Designed Wix-based website during internship.
- Handled layout edits, SEO setup, and internal linking structures.

ACHIEVEMENTS

- Recognized as **Employee of the Quarter** twice at **Get Catalyzed** for delivering high-performing websites, meeting tight deadlines, and consistently supporting the development team.
- Winner of a C Language Coding Competition**, where I built a fully functional program within the given time and was praised for clean logic and error-free execution.
- Completed a **Certification in Advanced Excel**, gaining strong skills in data handling, functions, and automation using formulas and pivot tables.
